

PLEASE NOTE: Watering is only permitted between 2-10 a.m. and 7 - 11 p.m. on specified watering days **for a total of 2 hours**

| Level | Approved Watering Activity |
|---|--|
| Level 1 Normal | Residents are encouraged to practice water wise strategies on a voluntary basis. |
| Level 2 The Water Conservation Bylaw is enforced. Watering days enforced | Public announcements will be made to inform residents when they are required to follow the restrictions and watering rotations as demonstrated by the accompanying map. Water days are: SW – Mon & Thurs. SE – Tues & Fri. NW/NE – Wed & Sat. At Level 2, residents can still fill swimming pools and other recreational facilities. |
| Level 3 The Water Conservation Bylaw is enforced. Watering days enforced | Public announcements will be made to inform residents when they are required to follow the restrictions and watering rotations for this level. Watering days are restricted to once per week according to the following schedule: SW – Mon SE – Tues NW/NE – Wed At Level 3 filling pools and other recreational facilities is no longer allowed and permits to allow extra watering for new lawns will not be issued. |
| Level 4 & 5 | These levels require the most rigorous water rationing to be followed. At level 4, only watering for construction purposes is permitted and at level 5 no watering is allowed for any purpose. |
